

SERVICES WE PROVIDE

PROCESS SERVING

IPS INC. can handle any type of service writ including but not limited to: civil, criminal, family, evictions, guardianships and much more.

SKIP TRACING / LOCATION SERVICES

Location searches are an integral link in our everyday processes. We have spent many years acquiring the necessary tools to enhance our skip-tracing services. At a client's request, we can help locate defendants prior to your filing suit.

COURT SERVICES

We understand that not all individuals can be served at a residence or business and it may be necessary to serve them at the court house. IPS can also provide this service for you.

SURVEILLANCE SERVICES

If you have an avoider and need papers served, use our advanced surveillance service. To learn more about this service contact our office.

COUNTIES WE SERVE

Daily service by our process servers is provided in all twelve (12) of our standard fee counties including; Boone, cook, DeKalb, DuPage, Grundy, Kane, Kendall, Lake, LaSalle, McHenry, Will and Winnebago county. We can also assist the client with any service outside our standard fee zone. With all other illinois counties and out of state services please call for pricing.
